AFNS Initial Test Experience – Intelligence & Academic Test

Name: XYZ
Branch: AFNS
Status: Alhamdulillah Cleared
Preparation: EduSmart Academy

I appeared in the AFNS Initial Test and successfully cleared both the Intelligence and Academic portions. The paper was honestly very easy because most of the MCQs were directly from sir's notes. I attempted the questions confidently without confusion because everything felt familiar. Proper preparation from EduSmart Academy made the test smooth and manageable.

The intelligence section was simple and concept-based. Questions were straightforward and did not require overthinking.
