## LCC-21 Initial Test Experience (ISPR) — Experience 7

### Compiled by EduSmart | The Best Coaching Academy

- **Branch:** ISPR
- **Centre:** Rawalpindi (RWP)
- **Status:** Cleared (Alhamdulillah)

### Verbal Section

I prepared from the **100 MCQs verbal file** shared in the EduSmart group, and honestly around **40 questions were directly from that file**. As soon as I saw them, I marked them instantly because they were repeated.

Topics included:

- Management-related MCQ
- Train speed/distance question
- Percentage-based MCQs (90%, 120%, etc.)
- Age-related questions
- Number series
- If 4th day is Sunday, then 14th will be (day logic)
- Alphabetic series
- Mirror alphabets

**Mirror tip:** Letters that look the same in mirror include A, H, I, M, O, T, U, V, W, X, Y

If any option contained these letters, it was most likely correct.

- Synonyms were very easy (e.g., *Evident* = *Obvious*)
- Basic math like  $2 + 2/2 = 3$

Honestly, I cannot emphasize enough:

**Just cram and revise the complete file.** Most questions were directly from it.

### Non-Verbal Section

Non-verbal required **serious focus**. We were called at 11 AM but the test started around 3:30 PM, so by that time the mind gets drained and energy levels drop. Because of that, concentration becomes difficult.

- Pattern-based questions
- Series of figures
- Arrows
- Clockwise / Anti-clockwise rotations

It was not impossible, but it required full attention and mental stamina.

## Final Advice

Revise the **EduSmart files thoroughly**, manage your energy, and stay calm during non-verbal.
