PN SSC Special Branch - IT Initial Test Experience | Rawalpindi Center

Alhamdulillah! Cleared the Initial Test - EduSmart Academy Preparation Success

I recently cleared the **Pakistan Navy Special Services Commission (PN SSC)** - IT initial test, and I owe a huge part of my success to the **EduSmart Academy** preparation program. Here's a detailed breakdown of my exam experience and how EduSmart helped me get there.

Test Center: Rawalpindi

Status: Alhamdulillah Cleared

Intelligence Section:

- No questions related to **days, ages, or ratios**.
- One **direction-based question** (General knowledge on provinces was key!). For example, knowing which direction Punjab lies (north, south, east, west).
- **Percentage-related questions on profit/discount**.
- **Simple addition series**.
- **Alphabetic series** with some **odd-man-out questions** based on meanings.

Non-Verbal Section:

- Very **easy!** Simple **figure patterns** with no difficult logic.

Academic Section:

- **Subnet Mask Questions:** A few questions based on IP subnetting.
- **IP Address Classes:** Knowing the range for each IP class (Start to end).
- **Object-Oriented Programming (OOP)** concepts.
- **Linux Commands:** Specifically, the command to remove a file from the directory (e.g., `rm` command).
- **Database Queries:** Basic **Create Table** query.
- **C++/C Questions:** Focus on **friend functions**, **method overriding**, and questions on **private/public** keywords.
- **PHP:** Variable initialization questions, specifically around `$global`, `$session`, `$get`.
