

AFNS Initial Test Experience – 21 August 2024 (ASRC Multan)

Candidate Name: Ayesha Noor

Test Center: ASRC Multan

Date: 21 August 2024

Result: Alhamdulillah Passed

My AFNS Initial Test Experience

Today I appeared in the **AFNS initial test** at **ASRC Multan**. Overall the paper was quite manageable, especially for students who prepared from the **most repeated questions and proper preparation notes**.

The **Intelligence (Verbal)** portion was almost completely from the concepts covered in the preparation material. Several questions were related to common intelligence patterns such as:

- Days and age problems
- Mirror and water images
- Alphabetical series
- Logical sequence questions

Anyone who practiced these topics properly could solve them quickly during the test.

Academic Portion – Important Questions (Repeated)

Some of the academic questions that appeared in the test are listed below:

1. The release of which fish into ponds and wells helps control mosquitoes?

Answer: **Gambusia Fish**

2. The deficiency of which element leads to dental caries?

Answer: **Fluorine**

3. In which component does antibody formation take place?

Answer: **Blood Plasma**

4. Which cell organelle is responsible for cellular respiration?

Answer: **Mitochondrion**

5. Which part of the pitcher plant becomes modified into a pitcher?

Answer: Leaf

6. The nature of bond present in diamond is:

Answer: Covalent Bond

7. Lattice energy is also called:

Answer: Lattice Enthalpy

8. Inhaling nitrogen oxide can cause:

Answer: Laughter

9. The main source of organic compounds is:

Answer: Coal

English & Physics Portion

English Section

Most of the questions were related to:

- Synonyms
- Antonyms
- Basic vocabulary

Physics Section

Physics questions mainly focused on:

- Formula based questions
- Units and basic concepts

Students who prepared basic formulas were able to solve the section easily.

Preparation Experience

I personally prepared through **complete preparation material and practice questions**, which helped me understand the repeated patterns of the test.

Many candidates who had prepared only limited material struggled in the **academic portion**, but those who had covered the **most repeated MCQs and concepts** managed the test comfortably.

Some students also mentioned that **Quick Courses and Special Course sessions** helped them revise the important topics in a short time before the test.
