

AFNS Initial Test Experience – Most Repeated Questions With Answers

Date: 20 August 2024

Candidate Name: Areeba Khan

Center: ASRC Rawalpindi

Result: Passed (Alhamdulillah)

Test Procedure

Today I appeared for the AFNS initial test at ASRC Rawalpindi. First, there was a **document checking process** where all candidates' original documents were verified. After verification, we were allowed to proceed to the **computer-based test**.

Intelligence Portion

Verbal Intelligence

The verbal intelligence section contained many questions related to:

- Percentage problems
- Age-related questions
- Comparison questions such as younger / taller
- Blood relation questions

Most of the verbal questions were from the **most repeated intelligence patterns**. Students who had practiced these repeated questions could solve the section easily.

Non-Verbal Intelligence

The non-verbal section required practice and observation. The questions mainly included:

- Clockwise and anti-clockwise pattern questions
- Filling box or figure completion questions
- Pattern recognition questions

With proper practice, this section becomes manageable.

Academic Portion – Important Questions

Several academic questions appeared from Biology, Physics, and general science concepts.

"These Past Papers are Collected by Sir Muhammad Faizan (Ex-Airforce Personnel) at EduSmart Academy. If you want to take paid classes for Army, Navy, and PAF courses, contact 03066892208."

In Homo sapiens, where does fertilisation occur?

Answer: Oviduct

Which is the longest bone in the human body?

Answer: Thigh bone (Femur)

Answer: First Law of Motion

Which remains constant while throwing a ball upward?

Answer: Acceleration

DC current can be controlled by which component?

Answer: Resistance

Which radiation carries maximum energy?

Answer: Gamma Rays

English Portion

The English section mainly included:

- Synonyms
- Antonyms
- Prepositions and their correct usage

Students with basic vocabulary preparation could solve this section easily.

Important Note for Future Candidates

The **academic portion is very important** and requires proper preparation. Many candidates focus only on intelligence, but academic questions often determine the final result. Candidates should prepare **Biology, Physics, Chemistry, and English basics** along with intelligence practice.

Preparation Guidance
