

AFNS Interview Experience

Initial Test & Medical:

- **Date:** 28th September 2020
- **Location:** Lahore
- I passed the initial test and medical on the same day.
- After passing, I was asked to submit an interview form within 3 days, which I submitted to ASRC Lahore.

Interview Call:

- After 3 months, I received a call from GHQ Rawalpindi, informing me of the interview.
- Initially, they scheduled my interview for 15th January 2021. However, on the day before, I received another call informing me that my interview had been postponed and rescheduled for **28th January 2021 at 7:00 AM**.

Interview Day:

- **Date:** 28th January 2021
- **Location:** ASRC Lahore
- I reached the center at **6:30 AM**, and there were 23 girls in my batch.
- The interviews started at **11:00 AM**. My turn was at number 17.

Interview Experience:

- I entered the room without knocking as they allowed me to enter.
- First, I greeted them:
 - **Me:** "Assalam o Alaikum"
 - **Them:** "Walikum Assalam, please sit here."
- There were two officers physically present in the room: a Karnal and a female Captain. Additionally, there was a panel of 8 officers connected through a live video call from GHQ.

Interview Questions:

1. **Them:** "Introduce yourself, tell us about your siblings, and your father's occupation. What are you doing these days?"
 - **Me:** I answered.
2. **Them:** "Tell us more about your father's occupation."
 - **Me:** I provided details.

"These Past Papers are Collected by Sir Muhammad Faizan (Ex-Airforce Personnel) at
EduSmart Academy. If you want to take paid classes for Army, Navy, and PAF courses, contact 03066892208."

3. **From the live call:** "Which human body system do you like?"
- **Me:** "The skeletal system."
 - **She:** "How many bones are there in the human body?"
 - **Me:** "206."
 - **She:** "How many bones are present in each ear, and what are their functions?"
 - **Me:** "There are 3 bones in each ear; they help with hearing and maintaining body balance."
 - **She:** "Why did you choose the medical field instead of engineering or other fields?"
 - **Me:** "I am passionate about understanding the human body systems, environmental factors, and the prognosis of diseases."
4. They asked about the courses I had taken:
- **Me:** I mentioned the courses related to COVID vaccines, how to handle them at specific temperatures, and the Zika virus.
 - **Karnal Sahib** (present physically) showed approval with a thumbs up.

Conclusion:

- One of the female officers said, "Thank you, Beta."
 - **Me:** "Thank you, Ma'am, and Allah Hafiz."

Results:

- After an hour, the results were announced. Out of 23 candidates, one girl was not recommended.
- **Alhamdulillah**, I cleared the interview and was given the final medical form.

Special Mention:

I would like to extend my gratitude to **Sir Muhammad Faizan** and **EduSmart Academy**, the best coaching academy for AFNS and other competitive exams. Their dedicated support, preparation material, and guidance made a significant difference in my preparation. For anyone looking for top-notch coaching and preparation, I highly recommend contacting **EduSmart** at **03066892208**.

Final Thoughts:

I am grateful for this opportunity and thankful for everyone who helped me along the way. Please remember me in your prayers.
JazakAllah.
