

AFNS TODAY TEST EXPERIENCE – FAISALABAD CENTER

Student: Azka Rehman

Test Date: 27 August 2026

Center: Faisalabad

Status: PASS Alhamdulillah ❤️

Assalam o Alaikum everyone. Alhamdulillah mera **AFNS test clear ho gaya**. Main apna real experience share kar rahi hun taake upcoming candidates ko idea ho jaye ke test kis type ka tha.

Sab se important baat ye hai ke **center time se kaafi pehle pohanch jana**. Original documents zaroor sath hon, especially **marksheets, domicile aur CNIC/B-Form jo required ho**. Apna **pen bhi zaroor le kar jana**, kyun ke number aur phone number waghera likhwate hain aur apna pen hona bohat useful hota hai.

Verbal Intelligence

Verbal portion kaafi acha gaya because **EduSmart aur Sir Faizan ki practice bohat helpful rahi**. Sir ne jo verbal lectures aur practice karwai thi, questions mostly usi type ke thay.

Profit & Loss ka bhi question aya tha, bilkul usi pattern ka jo Sir ne practice karwaya tha.

Kuch questions is type ke thay:

- **If a shopkeeper buys an item for Rs. 800 and sells it at 25% profit, what is the selling price?**

Series, age, blood relation, basic maths aur logical reasoning bhi tha. Agar **EduSmart lectures properly kiye hon aur timed practice ki ho**, verbal manageable ho jata hai.

Non-Verbal Intelligence

Non-verbal mein thora pattern change tha lekin concept wohi tha. Rotation, missing figures, sequence aur movement of shapes se questions thay.

Sir Faizan ne jo tricks batayi thin unki wajah se figures ko jaldi identify karna easy raha. Kuch questions mein **rotation ke sath shading bhi change ho rahi thi**, is liye sirf shape nahi balkay complete pattern dekhna parta tha.

English

English mein grammar ka portion tha aur **preposition ka question bhi aya**. Is ke ilawa adverb, conjunction aur sentence structure se questions thay.

Kuch hard-level questions is type ke ho sakte thay:

- **Identify the type of adverb:**
She rarely visits her relatives during winter.
Answer: Adverb of frequency
- **Identify the sentence containing a subordinating conjunction:**
I stayed at home because it was raining.

English ke liye **prepositions, conjunctions, adverbs, tenses aur sentence correction** zaroor revise karna.

Physics

Mere test mein **Physics ke kaafi questions thay**. Ek question radian se related tha:

- **1 radian is approximately equal to how many degrees?**
Answer: 57.3°

Kuch difficult Physics MCQs is type ke thay:

- **Two resistors of 4Ω and 6Ω are connected in parallel. What is their equivalent resistance?**
Answer: 2.4Ω
- **The angular displacement of π radians is equal to:**
Answer: 180°

Physics mein **units, formulas, circular motion, electricity aur basic numerical concepts** revise kar ke jana.

Chemistry

Chemistry ka portion bhi kaafi zyada tha aur kuch questions conceptual thay.

Kuch hard-level MCQs is type ke thay:

- What is the oxidation number of Mn in KMnO_4 ?
Answer: +7
- Which factor changes the rate of reaction but does not change the equilibrium constant?
Answer: Catalyst

Chemistry ke liye **periodic trends, hybridization, oxidation state, bonding, acids/bases aur organic basics** zaroor prepare karna.

Biology

Biology comparatively kam thi. Mujhe **mitochondria** wala question yaad hai.

- Mitochondria are known as the:
Answer: Powerhouse of the cell

Kuch difficult Biology questions is type ke thay:

- Which organelle contains its own DNA and ribosomes?
Answer: Mitochondria
- Which part of the nephron is mainly responsible for selective reabsorption?
Answer: Proximal convoluted tubule

Overall mujhe laga ke **Physics aur Chemistry ka weight Biology se zyada tha**, is liye sirf Biology par focus karna enough nahi hai.

EduSmart Preparation

Special thanks to **EduSmart and Sir Faizan**. Verbal intelligence mein Sir ne jo concepts aur tricks karwai thin woh actual test mein bohat useful rahin. Profit & Loss aur reasoning ki practice specially help hui.

Non-verbal mein bhi Sir ki pattern-identification tricks kaam aayi, aur academics ke liye jo concepts revise karwaye gaye thay un se bhi questions relate kar rahe thay.

Agar upcoming candidates tayari kar rahe hain to meri advice hai ke **EduSmart lectures ko sirf watch na karein, unke sath practice bhi zaroor karein**, specially timed practice.

Overall Experience

Test easy nahi tha. **Time pressure bohat important factor tha**, aur academics mein especially Physics aur Chemistry ko ignore nahi karna chahiye.

Alhamdulillah test clear ho gaya.

Thank you **EduSmart & Sir Faizan** for the guidance and practice.
