

AFNS Test Experience

Name: Sidra Zainab

Date: 29 August 2026

Centre: AS&RC Multan

Status: Alhamdulillah Passed

Alhamdulillah mera AFNS test **AS&RC Multan** mein tha aur Allah ke karam se main test clear kar gai. Main apna complete experience share kar rahi hun because mera test honestly **full of surprises** tha. Kuch cheezen bilkul expected thin aur kuch questions ka level achanak bohat conceptual ho gaya tha.

Main ne **Sir Faizan ka Complete AFNS Course April 2026 mein C1 Batch se join kiya tha**. Starting se lectures, PDFs, practice material aur tests ko follow karti rahi. Ab test dene ke baad mujhe realize hua ke course ki sab se useful cheez sirf questions prepare karna nahi thi, balke **time management aur test pressure ko handle karna** bhi tha.

Centre pohanch kar documents checking hui aur phir apni turn ka wait kiya. Jab computer ke samne bethi to naturally thori nervous thi. Bismillah parh kar test start kiya aur pehle kuch questions ke baad confidence aa gaya.

Verbal Intelligence Portion

Verbal portion mein total **86 MCQs** thay aur time sirf **30 minutes** tha.

Yahan mujhe Grand Test Series ki practice sab se zyada useful lagi because agar aap har question ko detail mein solve karne beth jao to time bohat jaldi finish ho jata hai.

Mere verbal mein mostly ye types aye:

- Number Series
- Alphabet Series
- Coding Decoding
- Odd One Out
- Analogy
- Age Problems
- Percentage Questions
- Ratio Questions

- Profit and Loss
- Time and Work
- Distance Questions
- Population Questions
- Letter Position
- Dictionary Arrangement
- Days and Dates
- Mirror Letter Questions

Kuch questions bohat easy thay aur answer dekhte hi samajh aa raha tha, lekin beech mein suddenly tricky series aur mathematical reasoning aa jati thi.

Meri sab se bari advice ye hai ke **Verbal mein kisi ek difficult question par mat rukna**. Agar question immediately samajh na aye to next par move karo. 86 MCQs in 30 minutes mein speed bohat important hai.

Non-Verbal Intelligence Portion

Non-Verbal mein total **60 MCQs** thay.

Overall ye portion manageable tha lekin kuch questions proper surprising thay. Sirf ek shape ko observe karna enough nahi tha, kuch figures mein ek sath 2 ya 3 patterns change ho rahe thay.

Mostly ye types aye:

- Figure Series
- Missing Figure
- Odd One Out
- Clockwise Rotation
- Anti-Clockwise Rotation
- Mirror Image
- Water Image
- Arrow Movement
- Figure Analogy
- Direction Changing Figures
- Two Shapes Relationship
- Complete the Pattern

Ek question mein outer shape clockwise rotate ho rahi thi jabke andar wala dot anti-clockwise move kar raha tha. Aise questions mein agar sirf main figure dekho to answer wrong ho sakta hai.

Kuch questions mein shading, arrows aur number of sides teeno simultaneously change ho rahe thay.

Non-Verbal mein bhi Grand Test practice ne speed improve karne mein bohat help ki.

Academic Portion

Ab Academic ki baat karun to ye portion mere liye sab se bara surprise tha.

Academic portion conceptual tha.

Sirf ratta lagane se tamam questions solve nahi ho sakte. Basic concepts clear hone bohat zaroori hain.

Biology, Chemistry, Physics aur English se questions thay.

Mere test mein bohat se concepts **Sir Faizan ki One-Liner PDFs** se covered thay. One-liners last-time revision ke liye honestly bohat useful rahin.

Around **2 MCQs Mock Tests se familiar thay**, jabke kuch questions directly ya indirectly **lectures mein explain kiye gaye concepts** par based thay.

Academic mein topics kuch is type ke thay:

Biology

- DNA Replication
- mRNA and Codons
- Human Physiology
- Hormones
- Enzymes
- Genetics
- Cell Biology
- Excretory System
- Molecular Biology
- Nervous and Endocrine System

Chemistry

- Periodic Trends
- Electronegativity
- Oxidation States
- Organic Chemistry
- Alcohols
- Aldehydes
- Chemical Reactions
- Atomic Structure
- Hybridization

Physics

- Kinetic Energy
- Dimensions
- Stress and Strain
- Mirrors
- Electricity
- Magnetism
- Simple Pendulum
- Vectors

English

- Grammar
- Parts of Speech
- Active and Passive Voice
- Correct Sentence
- Synonyms and Antonyms
- Sentence Completion

Main lectures ke sath **books ko bhi follow karti thi**. Mere liye ye bohat helpful raha because lecture se concept samajh aa jata tha aur book se usi topic ki detail revise ho jati thi.

Meri recommendation ye hai ke **Sir Faizan ke lectures ke sath books ko bhi follow karein**. Sirf repeated MCQs par depend na karein because Academic mein question ki wording completely different ho sakti hai lekin concept wohi hota hai jo lecture mein parhaya gaya hota hai.

Personality Test

Academic ke baad **Personality Test** hua.

Ye part dekh kar mujhe sab se zyada **relief hua** because personality test mein jo statements aur pattern aya wo **Sir Faizan ki shared Personality Test PDF** se bohat familiar tha.

Honestly mujhe ye section bilkul unfamiliar feel nahi hua because PDF pehle properly prepare ki hui thi.

Personality test mein bas ye zaroor yaad rakhein ke answers naturally aur consistently dene hain. Ek jagah apni personality ke bare mein kuch aur aur doosri jagah opposite response dena confusion create kar sakta hai.

Sir Faizan ne jo personality test ki PDF share ki thi usko zaroor properly read karein. Mere liye ye bohat helpful rahi.

Grand Test Series Ne Sab Se Zyada Kahan Help Ki?

Mere liye **Grand Test Series** ka sab se bara benefit time management tha.

Actual test mein jab screen par questions continuously aa rahe hote hain to pressure different hota hai. Agar pehle timed tests ki practice na ki ho to easy questions bhi time pressure ki wajah se difficult lag sakte hain.

Grand Tests ne mujhe ye sikhaya:

- Easy question ko immediately attempt karna
- Difficult question par unnecessary time waste nahi karna
- Calculation fast rakhna
- Non-Verbal pattern jaldi identify karna
- Pressure mein panic nahi karna
- Last minutes ko properly utilize karna
- Academic mein elimination technique use karna

Actual test mein mujhe **isi cheez** ka sab se zyada benefit mila.

Meri Preparation Strategy

Main ne **April 2026 C1 Batch** se Sir Faizan ka complete course join kiya tha.

One-Liner PDFs specially last days mein revision ke liye bohat useful thin. Mock Tests se question pattern samajh aya aur Grand Test Series ne speed aur time management improve ki.

Meri Recommendation

Main honestly sab sisters ko **yahi recommend karungi ke Sir Faizan ko join karein**, especially agar aapko samajh nahi aa raha ke AFNS ki preparation kahan se start karni hai aur kis sequence mein karni hai.

Course mein mujhe sirf MCQs nahi mile, balke proper direction mili ke kis topic ko kis tarah prepare karna hai, books ko lectures ke sath kaise follow karna hai, one-liners ko revision ke liye kaise use karna hai aur test mein time kaise manage karna hai.

Lekin ek cheez zaroor kahungi:

Sirf PDFs ratta na karein. Lectures attend karein, concepts samjhein aur lectures ke sath books bhi follow karein.
