

AFNS Initial Test Experience — 31 August 2026

Name: Areeba Fatima
Test Centre: AS&RC Pano Aqil
Date: 31 August 2026
Status: Alhamdulillah, Passed

Main Areeba Fatima hoon. Main ne 31 August 2026 ko AS&RC Pano Aqil se AFNS Initial Test diya aur Alhamdulillah mera test clear ho gaya.

Main apna complete experience is liye share kar rahi hoon taake jo students abhi test dene wale hain unko thori guidance mil jaye. Mere liye yeh sirf ek test nahi tha, balke bohat sari tension, pareshani aur mehnat ke baad milne wali bohat bari khushi thi.

Meri Choti Si Kahani

Jab main ne AFNS ki preparation start karne ka socha tha, us waqt mere paas academy ki proper fee pay karne ke paise nahi thay. Main different academies aur preparation groups dekhti thi, lekin unki fee sun kar mujhe lagta tha ke shayad main proper preparation nahi kar paungi.

Mere ghar ke halaat aise nahi thay ke main hazaron rupees preparation par spend kar sakoon. Main bohat pareshan thi, lekin AFNS clear karne ka bohat dil tha.

Phir mujhe EduSmart Academy aur Sir Faizan ke bare mein pata chala.

Main ne himmat karke Sir Faizan ko message kiya aur unko apni situation honestly bata di.

Main ne kaha:

“Sir, mere paas zyada paise nahi hain, lekin main bohat mehnat karna chahti hoon aur AFNS clear karna chahti hoon.”

Sir ne meri condition samjhi aur mujhe sirf 500 rupees mein preparation group mein add kar diya.

Mere liye yeh bohat bari help thi. Main ne socha tha shayad mujhe preparation ka proper chance hi na mile, lekin Sir ne meri situation ko samjha aur mujhe support kiya.

Us ke baad main ne proper preparation start kar di. Group mein intelligence practice, academy MCQs, important topics, past experiences aur guidance milti rahi. Main daily practice karti thi. Kabhi questions ghalat hote thay, kabhi intelligence mein time issue hota tha, lekin main ne preparation nahi chhori.

Main ne apne aap se kaha ke jab mujhe itni support mil rahi hai to mujhe bhi apni taraf se full mehnat karni chahiye.

Alhamdulillah, test ke din meri mehnat ka result mila aur mera AFNS Initial Test clear ho gaya.

Test Day Experience

Main reporting time se pehle centre pohanch gayi thi. Centre ka environment disciplined tha. Sab se pehle documents check hue, phir verification ka process hua aur us ke baad humein test ke liye guide kiya gaya.

Meri advice hai ke centre late bilkul na jayein. Apne original documents aur required photocopies pehle se ready rakhain.

Test mein mainly 3 portions thay:

Verbal Intelligence

Non-Verbal Intelligence

Academic Portion & Personality Test

Verbal aur non-verbal portion mein sab se important cheez time management thi. Questions mushkil se zyada fast solving demand kar rahe thay.

Intelligence Test Experience

Mere intelligence portion mein series, odd one out, percentages, relationship, directions, analogy aur day/date type questions thay.

Kuch questions is type ke thay:

1. Finger is to hand as leaf is to what?

Answer: Branch

2. Leg is to toe as arm is to what?

Answer: Finger

3. There are 30 passengers in a bus.

If $\frac{2}{3}$ are men, how many are women?

Answer: 10

4. If the 2nd day of a month is Monday, what day will the 20th day be?

Answer: Friday

5. Wheat, Hay, Rice, Barley — which is the odd one out?

Answer: Hay

6. A man walks towards north and then turns left. In which direction is he facing?

Answer: West

7. If 15th day of a month is Monday, what day will the 2nd day of the same month be?

Answer: Tuesday

8. If a helicopter needs 80 gallons to travel 320 km, how many gallons will it need for 700 km?

Answer: 175 gallons

Mere liye test overall moderate tha. Intelligence portion mein speed sab se important thi. Academic portion mein concepts clear hon to questions manageable thay.

Mujhe laga ke sirf ratta lagane se kaam nahi chalta. Concepts samajhna bohat zaroori hai, especially Physics aur Chemistry mein.

Students Ke Liye Meri Advice

Verbal intelligence ki daily timed practice karo. Non-verbal mein figure series aur pattern recognition ko strong karo.

Biology mein human physiology, diseases, enzymes aur cell biology revise karo.

Chemistry mein functional groups bohat achi tarah prepare karo.

Physics mein formulas ke saath numericals bhi practice karo.

English mein subject, predicate, phrases, articles aur basic grammar revise karo.

Test ke din panic mat karna. Kisi aik question par zyada time waste na karna.

Sir ne meri financial condition ko samjha aur mujhe sirf 500 rupees mein preparation group mein add kiya. Mere liye yeh sirf fee concession nahi tha, balke ek bohat bari support thi.

Sir ki guidance, practice material aur continuous support ne mujhe bohat confidence diya.

Main dil se thankful hoon ke jab mere paas resources kam thay, tab mujhe preparation ka chance mila.

Mere Parents Ki Khushi

Jab main ne ghar ja kar Ammi Abu ko bataya ke Alhamdulillah mera AFNS Initial Test clear ho gaya hai, to woh bohat zyada khush hue.

Meri Ammi bohat emotional ho gayi aur Abu ne mujhe dua di ke Allah mujhe agay bhi kamyab kare.

Mere maa baap bohat khush hain aur unki khushi mere liye sab se bari achievement hai.

Akhri Sawal

Sir, mere **Matric mein 900 marks** hain aur **FSc mein 1100 marks** hain.

Kya mere AFNS mein final selection ke chances ache hain?

Aur ab next stages ke liye mujhe sab se zyada kis cheez par focus karna chahiye?

JazakAllah Khair. Duaon mein yaad rakhna.
