MY EXPERIENCE

Overall test ka level moderate tha. Verbal mein series, percentages, basic maths aur analogy important hain. Non-verbal ke liye rotation, mirror images aur missing figures ki practice zaroor karein.

Academic portion mein **Biology, Chemistry, Physics aur English ke basic concepts** strong hone chahiye.

Alhamdulillah **EduSmart aur Sir Faizan ki preparation material se bohat help mili**. Bohat se concepts aur question patterns already practice kiye huay thay, jis wajah se test attempt karna easy raha.

Special thanks to **EduSmart & Sir Faizan for the guidance and preparation.** ❤️
